

LIBHUB (LIBRARY DISCOVERY TOOL)

It is an online workspace for researchers and students that provide a single interface to search all the databases the Library subscribes to. It covers all the journals, articles, e-books, and databases paid for through INASP/PERI arrangements and open access resources for the academic community. **The users can save and customize their results for future reference purposes.**

Accessing Libhub (Library Discovery tool)

- Click on a web browser on your machine.
- Enter the following url <http://libhub.sempertool.dk/> in the address bar.
- The page below will be displayed. Enter your search term here and click search Or Browse by subject.

The screenshot shows a web browser window with the URL <http://libhub.sempertool.dk/>. The page features a navigation bar with "Login", "Register", and "Feedback" links. The LibHub logo is prominently displayed, along with "Search", "Browse", and "MyCollection" options. A search bar is present with the placeholder text "Enter search terms" and a search icon. Below the search bar, there is a "Browse by subject" section with a list of subjects, each preceded by a plus sign (+).
