# ABOUT CAVENDISH UNIVERSITY UGANDA

Cavendish University Uganda (CUU) is a leading private university in Uganda established in 2008 and is licensed and accredited by the Uganda National Council for Higher Education (NCHE).

Our student-centric academic model deploys global best practices in teaching and learning and aims to fulfil the Mission of CUU, which is to transform and inspire students to reach their full potential in employment, entrepreneurship, and ethical leadership.

CUU offers market-relevant and accredited academic programmes hosted in four Faculties of Law, Science & Technology, Business & Management, and Socio-economic Sciences. In addition, we also have a School of Postgraduate Studies & Research.

Learning at our University is innovative, student-centric, participatory, dynamic, and practical. We use a sophisticated artificially intelligent platform to support blended learning, projects, case studies, distance learning, and other functional and active learning forms.

We have a large student population hailing from over 47 countries. More than 10,000 students have graduated from CUU in many different disciplines at certificate, diploma, bachelor's, and master's levels since its inception.

Our distinctive approach to teaching and learning will challenge you to think independently and encourage you to grow and excel in a supportive environment.

## MEET OUR VICE CHANCELLOR

On behalf of the entire faculty and staff of Cavendish University Uganda (CUU), it is my pleasure to welcome you all to our academic community. Congratulations on your acceptance to this prestigious institution, where you will join a group of bright and motivated students from all over the world.

We are thrilled to have you with us, and we look forward to supporting you and guiding you throughout your academic journey. Our mission at Cavendish is to transform and inspire students to reach their full potential in employment, entrepreneurship, and ethical leadership.

Our vibrant campus community is filled with opportunities to get involved, make lasting connections, and to explore your interests beyond the classroom. Whether you are interested in sports, arts, social clubs or volunteering, there is something for everyone at Cavendish. We encourage you to take advantage of these opportunities and to fully immerse yourself in this unique and enriching experience. The education you will receive here will ensure that you are well-equipped to take on any challenge in your future career endeavors. Welcome to the Cavendish family. We are excited to be a part of your journey and to support you in achieving your academic and personal goals.

Prof. John Francis Mugisha

A handwritten signature in black ink, appearing to read 'J. Mugisha', written over a horizontal line.

Vice Chancellor,  
Cavendish University Uganda.

# EXPLORE WHAT STUDYING AT CAVENDISH UNIVERSITY UGANDA IS REALLY LIKE

We aim for a **transformative** learning experience that equips and inspires our students to reach their full potential.

**Employability skills** and an **entrepreneurial mindset** are embedded in all our academic programmes.

CUU deploys **innovative technology** to design and deliver academic programmes.

We pride ourselves in having a **transformative culture** that promotes a vibrant and conducive learning environment.

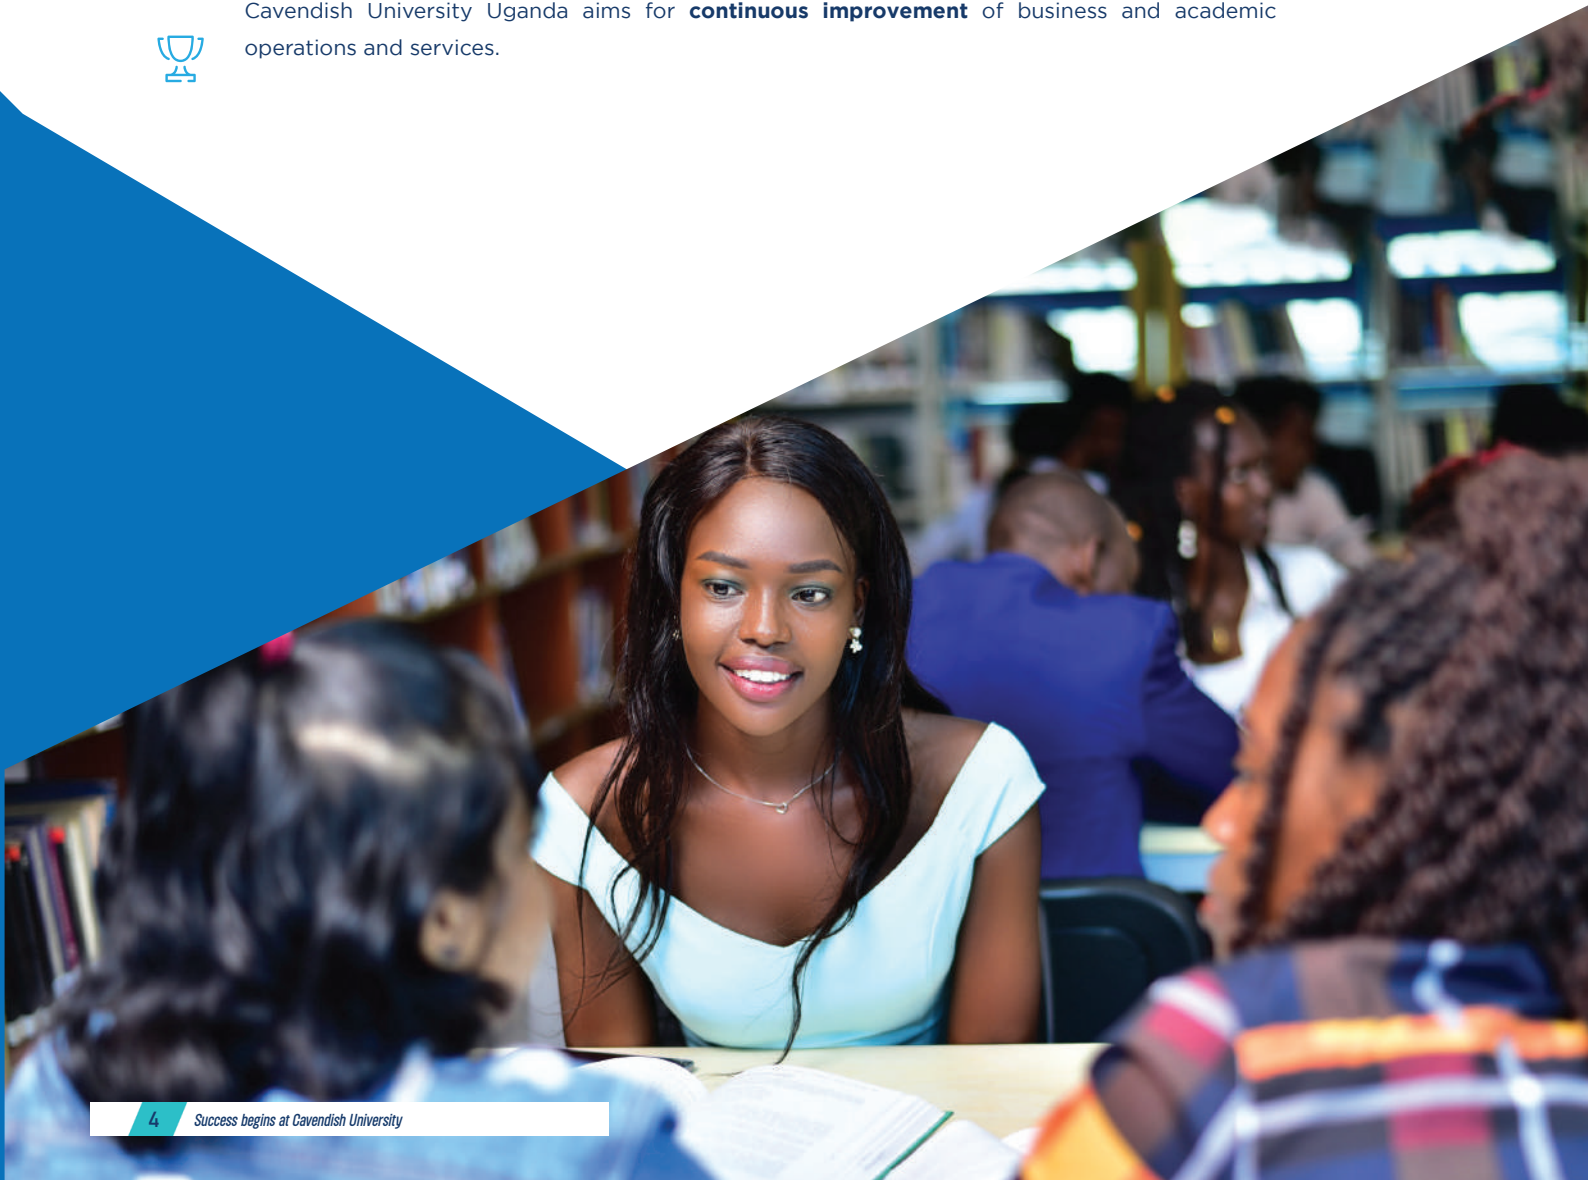

**Ethical leadership skills** and mindset are inculcated in every student from admission to graduation.

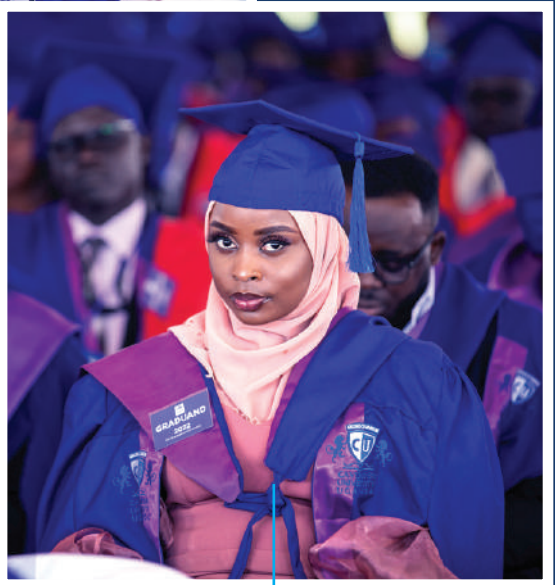

Our students are engaged in **innovative research** and **entrepreneurial ideas** that generate impactful solutions.

Cavendish University Uganda aims for **continuous improvement** of business and academic operations and services.

The goal of education is the advancement of knowledge and the dissemination of truth

- John Fitzgerald Kennedy

# »» EXIT PROFILE OF AN IDEAL CUU GRADUATE

The ideal CUU graduate is highly employable because they have:

- **Communication skills:** Excellent writing and speaking skills.
- **Teamwork skills:** Strong ability to work effectively in groups.
- **Digital literacy:** Ability to search, evaluate and use online content and tools, and various digital devices and internet-based technologies for work.
- **Learning skills and lifelong learning:** Curiosity, passion, energy, the ability to use online resources and social networks to acquire new knowledge, and lifelong skills.
- **Analytical and critical thinking:** Analytical skills refer to the ability to break up complex situations and problems into parts, understand them and solve them as needed. Critical thinking refers to asking appropriate questions and demands evaluating the evidence before making decisions and judgments.
- **Problem solving:** Ability to work through details of problems, consult and enlist suitable resources, deploy the right tools and techniques and find appropriate solutions.
- **Expertise in at least one career:** Deep knowledge and strong skills in at least one career line or field of study.

# FACULTY OF BUSINESS AND MANAGEMENT

This Faculty imparts practical, measurable, active business principles and thought patterns that impact positively on students' ability to succeed as entrepreneurs, executives or employees. The combination of skills taught puts our graduates at the head of the pack in the areas of business and management.

The Faculty maintains a close linkage with industry so as to inform curriculum review and to identify unexploited niche markets related to specialised training and short courses.

It uses technologically enhanced learning which presents an opportunity for learners to get acquainted to modern learning and adopts synchronous teaching methods that on-board both distance learners and physical learners which enables learning across countries.

- Bachelor of Science in Computer Science
- Bachelor of Environmental Health Science

### Master's Degrees

- Master of Public Health

### Diplomas

- Diploma in Computer Science and Information Technology

### Certificate

- Higher Education Certificate in Biological Sciences

# Career Objectives

Science and technology professionals can be found in almost any sector, from government to manufacturing to pharmaceuticals. Here are some examples of career options:

- • Medical Technology Developer
- • Bio technician
- • IT Specialist
- • Website developers
- • Social media marketing
- • E-commerce specialist

## Industry Partners & Collaborations

Many of our courses offer direct links with Industry and professional organisations. Our students have undertaken work projects or professional experience at a number of renowned organisations such as;

- IBM: International Business Machines Corporation
- IEEE Chapter: Institute of Electrical and Electronics Engineers- The world's largest technical professional organisation
- Hult Prize Foundation: The Hult Prize is an annual, year-long competition that crowd-sources ideas from university level students after challenging them to solve a pressing social issue around topics such as food security, water access, energy, and education
- Coding Girls Uganda
- CISCO
- Girls Paint Africa Green Foundation
- Public Health and Innovator's Association
- Innovation's Club

# FACULTY OF SOCIO-ECONOMIC SCIENCES

The Faculty of Socio-Economic Sciences (SES) is among the oldest and pioneer faculties at Cavendish University Uganda. It was established with the aim of equipping learners with an ability to question, think critically, conduct research on population challenges, communicate effectively, make decisions and adopt to change.

The Faculty is a vibrant, inclusive community of scholars, artists, researchers and social scientists. They are visionary problem solvers committed to making giant strides in the areas of Education, Social Work, Research, Entertainment, Diplomacy, Media and Public Administration.

# Programmes Offered

## Master's Degrees

- Master of Arts in International Relations and Diplomatic Studies
- Master of Security Studies
- Master of Education in Educational Management

## Bachelor's Degrees

- Bachelor of Public Administration and Management
- Bachelor of Arts in International Relations & Diplomacy
- Bachelor of Mass Communication & Journalism

## Diploma

- Postgraduate Diploma in International Relations & Diplomatic Studies

## Certificate

- Higher Education Certificate in Humanities & Physical Sciences

# Career Objectives

Research in the social, behavioural and economic sciences (SBE) builds fundamental knowledge of human behaviour, interactions, and social and economic systems, as well as organisations and institutions. Systematic studies of these networks and their behaviours can provide rewarding careers in the academic world, government, and industry.

Science careers are supported by the government and private sector and cover a wide range of opportunities in the field with a focus on career paths and decisions made by real practitioners. Through the experiences of the scientists profiled in this series, students, graduates, and even those working in other fields can evaluate the potential of SBE for their own careers and life goals.

## Career Options

- Journalist
- Communication specialist
- Public Administrator
- Diplomat
- Social worker

## Industry Partners

Cavendish University Socio-Economic students will secure a guaranteed learning experience during their studies. The real- world experience could include an Internship, a practicum placement or project work and it is all arranged by our vigilant team of lecturers. Our courses offer direct links with Industry and professional organisations such as;

- The Media Challenge Initiative which conducts annual inter university competitions and gives awards to best performers. They also offer training in 'Solution Journalism' to 6 students who perform well in different categories each year.
- Subsequently some of our students improve practical skills in different areas. Other students have gained access to employment opportunities because of the exposure they get through such hands-on activities.
- Ultimate Media Consult which offers training to both lecturers and students in multimedia journalism.
- In the Department of international relations and diplomatic studies, the Faculty has partnered with the UNHRC that offers training to students and staff on matters of Human rights.
- Nigerian High Commission to Uganda has offered internship placements to our students, as well as the Tanzanian High commission.
- The Faculty also enjoys a long term relationship with the Embassy of South Sudan in Uganda.

# SCHOOL OF » POSTGRADUATE STUDIES AND RESEARCH

The School of Post Graduate Studies & Research (SPGSR) is the unit that coordinates graduate training and research. The SPGSR focuses on national development by engaging in education, training and innovating new systems. Graduate students are encouraged and enabled to delve deep into areas and zones previously little trodden to discover new knowledge needed to make our world a better place to live in.

Seize the abundant opportunities available at the SPGSR for scholarship and research into excellence.

# Career Objectives

Getting your Master's degree is definitely something that you should take time to consider. With the additional amount of money and effort you will put into getting it, it is important to understand how you will benefit. We have put together some of the top benefits of getting a master's degree to help you make the best decision. Read them and consider them along your personal needs as you make this important decision.

One of the best things about getting your Master's degree is that it will give you more of an understanding about your field of study. Plus, you will likely be able to focus on additional areas of the industry over what you did during your undergraduate degree, which can help build your knowledge even more. With a Master's degree, you will be able to explore your passion even further so that you are completely prepared to enter the workplace and be successful in your career.

Having a Master's Degree gives you an edge in the marketplace because it shows you put effort into building your school career. This is a trait many businesses are looking for. In the end, this is something that can help give you more opportunities when it comes to finding employment after you graduate.

# New Programme:

## English as a Second Language short Course

The Cavendish University Uganda English as a Second Language Course is a short course designed to help students who would want to learn how to communicate in English, improve their Business languages skills, and develop proficiency in the English Language. It is a three level course with each level developed to meet your specific need for the English Language.

### Learning Objectives

On completion of this course, successful students should be able to:

- Develop personal presence and greater self-trust-confidence in key language items useful in different everyday situations.
- Develop skills to communicate in English to any English-speaking audience.
- Identify with the language associated with everyday situations.
- Have a firm grip of Basic English language use.
- Read texts with fluency, understanding and competence, decoding groups of words/phrases and not just single words.
- Develop a strong writing skill where thinking precedes writing.
- Use of the MLA, APA, Chicago or Harvard citation reference or bibliography format.

*Education is the most powerful weapon  
which you can use to change the world.*

*-Nelson Mandela*

# »» STUDY MODES

## 1. Campus based programme

### Why Study on Campus?

- Campus-based Programmes have one part of their delivery undertaken using first-in-market technology that enables learning teams to work together on practical study and problem solving while the other part is directed by experienced lecturers in face-to-face interactions.
- All our faculties are equipped with state-of-the-art technology that enables an optimal learning environment.
- Constant access to student support services aimed at assisting students in achieving an optimal school-life experience.
- Fast access to highly trained, experienced instructors.
- Physical interaction with a vibrant community of Cavendish University Uganda students and alumni that promotes professional networking and the making of lifelong friends along the way.

## 2. Distance Learning Programme (DL)

Distance Learning Programmes are designed to deliver teaching and learning at a distance. Cavendish University's Distance Learning Platform provides a flexible, accessible and cost effective mode of learning as an alternative to the traditional classroom based programmes. This mode of study is suitable for those who have difficulty attending traditional class for various reasons. It gives one the opportunity to study away from the classroom without interrupting their day to day activities.

## 3. Weekend Programme

The CUU Weekend programmes are flexible and convenient! Students can study from anywhere using in-class and online (blended) learning options. Even more accessible are your learning materials through our state-of-the-art, 3rd generation teaching and learning online platform. You can have it all!

**Now Open for Applications, Intake is ongoing.**

# Registration and Entry for Ugandan Students

## Requirements:

### Direct entry

(a) At least five (5) passes at the Uganda Certificate of Education (UCE) obtained at the same sitting or its equivalent.

(b) At least two (2) principal passes at the Uganda Advanced Certificate of Education (UACE) obtained at the same sitting or its equivalent.

Conditional admission will be verified after getting the Uganda National Examinations Board (UNEB) Results print - out.

Within the framework of the general direct entry requirements, there may be Special Faculty Requirements which a candidate must fulfil to gain admission to a programme in a specific Faculty.

### Mature Age Entry

(a) A candidate must be at least 25 years of age

(b) The candidate must have passed Mature Age Entry Examinations with 50% mark or above

(c) The Mature Age Entry Examinations must have been taken at a centre approved by the NCHE

(d) No candidate who had previously attended a programme at Cavendish University Uganda shall be readmitted to the University under this scheme to a programme of study in which he/she failed to qualify during his/her previous attendance.

# Registration and Entry for International Students

## Requirements:

**Must have a qualification that is recognised for University entry in his/her home country or country where he/she has studied. The applicant will be offered a provisional admission for one semester pending equating of his/her qualification.**

The University may consider for admission to a degree programme a candidate who has successfully completed a 12-year-system of education provided that such a candidate has been registered at another University, prior to applying to Cavendish University Uganda, for a degree programme and has successfully completed at least one year of university education. Such a candidate must, however, submit the University academic transcript from that other University.

### A holder of a 12- year-system of Education Certificate:

A holder of this Certificate such as the Kenya Certificate of Secondary Education or the equivalent is required to successfully complete a Foundation Year before enrolling for the Bachelor's degree programme.

# PAYMENT OPTIONS

## U-Bills

User Guide: Log onto the U-bills Africa Cavendish webpage.

<https://ug.instantbillspay.com/r/cavendish> To make a payment, please click on the 'Register as customer' where you will be prompted to open an online account using your email and secret password. Select payment of tuition.

## Flexi Pay

### What is STANBIC Flexi Pay?

Stanbic Flexi Pay is a school fees payments and collections solution that Cavendish University is offering to its students/parents/guardians to pay their school fees dues quickly, securely and conveniently using Stanbic's digital channels and the branch.

The solution also enables the University's Finance Department to receive real time notifications and automated reconciliation of the funds you have paid, making the process of registration instant, easy and trackable by both parties.

### Channels to pay fees

- Mobile money - \*290\*1#
- Visa Card - [www.stanbicbank.co.ug](http://www.stanbicbank.co.ug)
- Branch - PegPay Platform
- Mobile banking - USSD
- Internet banking - School Fees Menu
- ATM
- Point of sale

## Pesapal

Allows students to pay fees directly to school banks accounts through a mobile phone, eliminating the risks associated with sending money to third parties and reducing bank transaction fees.

## Mobile money

To pay school fees using MTN MoMo, simply dial \*165\*80# or use MyMTN app. Enter the student number provided by the school. It will show you the student's name and class plus outstanding balance.

A photograph showing a student in a white t-shirt with a small logo on the chest, performing a fire-breathing act. He is blowing a large, bright flame from his mouth. In the background, other students are visible, some in traditional African attire. The scene is outdoors and appears to be a cultural or social event.

# OUTSIDE THE CLASSROOM

## Student Life

The student body at Cavendish University Uganda is very diverse, with students hailing from more than 47 different countries on the African continent. The University is home to students from Uganda, Nigeria, Rwanda, Burundi, Kenya, South Sudan, Somalia and Eritrea....to name but a few.

Having such a diverse student body makes life at Cavendish University Uganda that more interesting, as students are exposed to other cultures and ways of doing things. Each nationality has an association that represents its interests while the UN Student Club brings all of them together, if they desire to be a part of it.

## Letting off steam

Every once in a while one needs to ease some of the pressure. Cavendish University is perfectly located for students who wish to let off some steam after classes. Ggaba road holds pocket-friendly entertainment in form of restaurants, bars and beaches.

For the artistic types, Okapi Gallery serves up both art and meat roasts. Beach lovers can choose between KK, Ggaba and the beach at Commonwealth Speke Resort or all three.

## On-Campus activities

On Campus, students have free use of Wi-Fi for them to keep abreast of international scholarly pursuits as well as stay updated on social media.

For those who are interested in competitive sports, the University has football and basketball teams.

## Cultural Gala

Our yearly cultural gala creates an afternoon spectacle of incredible performances, immense culture, music, food and energy from the 47 Nationalities that make up Cavendish University Uganda.

## Accommodation Options

Our Dean of Students' office is always ready to help students find safe, cost-effective and comfortable housing to ease their stay at Cavendish University Uganda.

You can reach the Dean of Students' office via [dos@cavendish.ac.ug](mailto:dos@cavendish.ac.ug)

# THINGS WORTH KNOWING

## KAMPALA WEATHER

On average, the hottest months of the year in Kampala are October and February, during which time the daily temperature will generally hover in the upper 80's and the lower 90's. The coldest months of the year in Kampala on average are June and July, during which time the daily high temperature will generally reach the lower 80's.

## TRANSPORTATION

There are three methods of public transportation: boda-boda, matatu and special hire taxis. The fastest method is the boda-boda; motorcycles that you see all over the city. You won't be in Kampala long before being propositioned by a Boda driver. If you're not interested, a simple "no" will get them to leave you alone. You can get almost anywhere on the back of one for between 1,000 and 2,000 UGX, but make sure you agree on the fare before the ride begins.

## OUT AND ABOUT

Things to do outside the campus are endless. Students frequent Kingsgate Mall, various eateries and discotheques along Gaba road. For those who love adventure there are 3 beach fronts farther up the road: KK beach, Ggaba Beach and Commonwealth Speke Resort Munyonyo.

## HANGOUTS

There are a lot of bars and nightclubs in the city. There are also a number of cinemas that are located within some of the shopping malls. Kampala has eight casinos and numerous shopping malls including Acacia Mall, Garden City Mall, Village Mall and Kings' Gate Mall.

## PLACES TO EAT

### **Jumia food**

Looking to get a delivery? Jumia foods brings food to wherever you are. Simply download the app on your phone.

### **KFC**

Any chicken lovers out there? Get Kentucky Colonel's secret recipe chicken from KFC right down the road from campus.

### **Pizza hut**

If pizza is what you are craving, the Pizza Hut is open for both delivery and eat in. Pizza Hut has a wide selection of quality foods and is only a few minutes walk away from campus.
