GRADUATION GUIDELINES FOR 2024

ELIGIBILITY TO GRADUATE IN 2024 BASED ON INTAKE PER PROGRAMME

1. **Postgraduate Students:** All Post graduate students who will have completed their studies by May 2024 will be eligible to graduate. They MUST have also defended and passed VIVA VOCE.

2. **Bachelor's Students admitted on Direct Entry**

   i. <u>3 - Year Bachelor's Programme:</u> Students admitted in August 2021 and below will be eligible to graduate, while those admitted in January 2022 and above will not be eligible to graduate.

   ii. <u>4 - Year Bachelor's Programme:</u> Students admitted in August 2020 and below will be eligible to graduate, while those admitted in January 2021 and above are not eligible to graduate.

   iii. <u>Exempted students:</u> All exempted students who will have completed their studies by May 2024 will be eligible to graduate.

   <u>Note:</u> Those admitted in January 2023 and above are not eligible to graduate.

3. **Diploma Students:** Students admitted in August 2022 and below will be eligible to graduate, while those admitted in January 2023 and above will not be eligible to graduate.

4. **Certificate students:** All certificate students who completed their studies and have never graduated must clear for graduation.

5. **Foundation Students:** All foundation students who have completed their studies and have not received their certificates should use this period to apply for their certificates.

Note: Those graduating in more than one programme must have separate clearance forms for the programmes.
