# ABOUT CAVENDISH UNIVERSITY UGANDA

Cavendish University Uganda (CUU) is a leading Private University in Uganda established in 2008 and is licensed and accredited by the Uganda National Council for Higher Education (NCHE).

Our student-centric academic model deploys global best practices in teaching and learning and aims to fulfil the Mission of CUU, which is to transform and inspire students to reach their full potential in employment, entrepreneurship, and ethical leadership.

CUU offers market-relevant and accredited academic Programmes hosted in four Faculties of Law, Science & Technology, Business & Management, and Socio-economic Sciences. In addition, we also have a School of Postgraduate Studies & Research.

Learning at our University is innovative, student-centric, participatory, dynamic, and practical. We use a sophisticated, artificially intelligent platform to support blended learning, projects, case studies, distance learning, and other functional and active learning forms.

We have a large student population hailing from over 42 countries. More than 12,000 students have graduated from CUU in many different disciplines at certificate, diploma, bachelor's, and master's levels since its inception.

Our Distinctive Approach to Teaching and Learning will challenge you to think independently and encourage you to grow and excel in a supportive environment.

## MEET OUR VICE CHANCELLOR

I extend a huge welcome to our new and returning members of the student, faculty, and staff community as we start a new academic year. I am deeply honoured to lead this exceptional community of professionals, scholars, educators, and learners into a year poised with opportunities for growth and transformation.

To our new students, welcome to a university that puts you at the centre of everything we do. You have chosen Uganda's most international and culturally diverse university, student-centred and dedicated to nurturing your potential and ensuring that you become employable, entrepreneurial, and ethical leaders during your time with us. As you embark on this new journey, remember that you are not alone; we are here to support you every step of the way, making you feel welcomed and reassured as you strive for academic and personal success.

Dr Olive Sabiti  
Vice Chancellor  
Cavendish University Uganda

# LIFE AT CAVENDISH UNIVERSITY UGANDA

# EXIT PROFILE OF AN IDEAL CUU GRADUATE

- We aim for a **transformative learning experience** that equips and inspires our students to reach their full potential
- **Employability skills and an Entrepreneurial mindset** are embedded in all our academic programmes
- CUU deploys **innovative technology** to design and deliver academic programmes
- We pride ourselves in having a **transformative culture** that promotes a vibrant and conducive learning environment
- **Ethical leadership skills and mindset** are inculcated in every student from Admission to Graduation
- Our students are engaged in **innovative research and entrepreneurial ideas** that generate impactful solutions
- Cavendish University Uganda aims for **continuous improvement** of business and academic operations and services

The ideal CUU graduate is highly employable because they have:

- **Communication skills:** Excellent writing and speaking skills
- **Teamwork skills:** Strong ability to work effectively in groups
- **Digital literacy:** Ability to search, evaluate and use online content and tools, and various digital devices and internet-based technologies for work
- **Learning skills and lifelong learning:** Curiosity, passion, energy, the ability to use online resources and social networks to acquire new knowledge, and lifelong skills
- **Analytical and critical thinking:** Analytical skills refer to the ability to break up complex situations and problems into parts, understand them and solve them as needed. Critical thinking refers to asking appropriate questions and demands evaluating the evidence before making decisions and judgments
- **Problem solving:** Ability to work through details of problems, consult and enlist suitable resources, deploy the right tools and techniques and find appropriate solutions
- **Expertise in at least one career:** Deep knowledge and strong skills in at least one career line or field of study

# VISION, MISSION, CORE VALUES

## MISSION

To transform and inspire students to reach their full potential in employment, entrepreneurship, and ethical leadership

## VISION

A centre of excellence, innovation and transformation

## VALUES

Excellence, Integrity, Responsibility, Respect, Communication, Passion, Innovation

## OUR PROMISE

To prepare and help each student to achieve gainful employment and entrepreneurship globally

# FACULTIES

## FACULTY OF BUSINESS & MANAGEMENT

This Faculty imparts practical, measurable, active business principles and thought patterns that impact positively on students' ability to succeed as entrepreneurs, executives or employees. The combination of skills taught puts our graduates at the head of the pack in the areas of business and management.

The faculty maintains a close linkage with industry to inform curriculum review and to identify unexploited niche markets related to specialised training and short courses.

It leverages technology-enhanced learning to provide modern, interactive educational experiences, enabling learners to engage with contemporary learning tools. It employs synchronous teaching methods that seamlessly integrate and support both distance learners and those attending physically.

**Dr Faith Ahabyoona**  
Dean, Faculty of Business  
& Management

## PROGRAMMES OFFERED

### Master's Degrees

- Master of Science in Project Management
- Master of Business Administration – Management
- Master of Business Administration – Accounting & Finance
- Master of Business Administration – Procurement & Supply Chain Management
- Master of Business Administration – Entrepreneurship
- Master of Business Administration – Human Resource Management

### Bachelor's Degrees

- Bachelor of Business Administration – Management
- Bachelor of Business Administration – Human Resource Management
- Bachelor of Business Administration – Accounting & Finance
- Bachelor of Business Administration – Procurement & Logistics
- Bachelor of Business Administration – Banking & Finance

### Diplomas

- Diploma in Business Administration

### Postgraduate Diplomas

- Postgraduate Diploma in Business Administration (PGD BA)

### Career Objectives

Graduates with a bachelor's degree in business qualify for entry-level careers, including basic management and administrative roles in private, public and non-profit organisations. Many find employment as management trainees or managers in the sales or retail industry. Others work as project assistants, office managers and technology-oriented support specialists.

### Career Options:

- Entrepreneurs
- Sales Managers
- Human Resources Managers
- Financial Officers
- Accountants
- Commercial Loan Officers
- Auditors

### Industry Partners

Many of our courses offer direct links with industry and professional organisations. Our students gain valuable practical experience through work projects and internships at a range of renowned organisations, including:

- The Institute of Certified Public Accountants of Uganda (ICPAU)
- The Association of Chartered Certified Accountants (ACCA) Uganda Country Office
- Institute of Procurement Professionals of Uganda
- Uganda Revenue Authority
- Global Procurement Agency
- Uganda Red Cross society
- Humanity for Development and Prosperity Organisation
- Embassy of the Republic of South Sudan, Kampala

- Network for Education and Multidisciplinary Research Africa

# FACULTY OF LAW

**Prof. Norman Mugarura**  
Dean, Faculty of Law

Established in 2010, the Faculty of Law has quickly become a top-tier law school distinguished by its highly skilled and diverse faculty, bringing a wealth of experience. Our programmes are fully accredited by the National Council for Higher Education and the Law Council. The faculty boasts state-of-the-art facilities, including a dedicated Moot Courtroom, designed to equip students with essential practical skills.

The faculty attracts students from multi-cultural backgrounds, giving our students an edge in the international job market. The Faculty of Law produces balanced graduates seasoned with both academic and co-curricular activity prowess.

Students are engaged in several student clubs that aid them in networking, such as the Human Rights Club, Law Society, Legal Aid Clinic, Rule of Law Club, among others.

The faculty is a Member of the International Association of Law Schools and has participated in annual conferences in Cape Town, South Africa, Doha, India, Qatar, and Pune.

Our law students have participated in the Comparative Contract Law Project with law schools in France, India, and Bhutan. This project ended in 2019.

## PROGRAMMES OFFERED

### Master's Degrees

- Master of Laws (LLM)

### Specialisations

- Natural Resources Law
- Human Rights, Governance and Development
- International Commercial Law

### Bachelor's Degrees

- Bachelor of Laws (LLB)

### Course Objectives

- To have students well-grounded in the evolution of the Law, its basic principles, and operation at various levels
- To enable students analyse the Law and its interaction with other fields
- To ensure that students are capable of using the Law as a means of solving real societal and individual problems and as a tool for socio-economic development
- To prepare students to practice Law locally and internationally as advocates, solicitors, barristers, leaders and other callings where training in Law is a prerequisite for work or an added advantage
- To train students to become committed to safeguarding the honour of the legal profession in all their undertakings and in their legal practice
- To prepare students to contribute to the development of legal knowledge and its role in the promotion of sustainable development generally

### Industry Partners & Affiliations

At the Law School, students benefit from a comprehensive education that combines up-to-date theoretical knowledge with practical experience, guest lectures, and essential employability skills. Our courses maintain strong, direct links with leading industry professionals and reputable organisations, offering students valuable opportunities to engage with the legal profession and related sectors such as;

- International Association of Law Schools
- Uganda Law Society (ULS)
- Friedrich-Ebert-Stung(NGO)

- Legal Relations & Policy Analyst
- Politician
- Magistrate Judge

# FACULTY OF SCIENCE & TECHNOLOGY

**Dr Alone Kimwise**  
Dean, Faculty of Science & Technology

The Faculty of Science and Technology houses the Department of Public Health Sciences which is currently ranked among the best in the country, producing highly innovative graduates who are adequately prepared to serve the community in the areas of Disease Prevention and Health Promotion.

Our science and technology students have the knowledge and skills necessary to develop large telecommunications and computer systems covering a broad range of scientific and technological applications.

On the whole, the faculty offers a simplified approach to teaching which stimulates interest in science, engineering and technology careers. Graduates end up with a unique set of skills and new modes of thought that are attractive to employers.

## PROGRAMMES OFFERED

### Bachelor's Degrees

- Bachelor of Science in Data Science and Artificial Intelligence
- Bachelor of Science in Software Engineering
- Bachelor of Environmental Health Science
- Bachelor of Information Technology
- Bachelor of Science in Public Health
- Bachelor of Science in Computer Science

### Master's Degrees

- Master of Information Technology
- Master of Public Health

### Diplomas

- Diploma of Data Science and Analytics
- Advanced Diploma in Health Leadership and Management
- Diploma in Computer Science and Information Technology

### Certificates

- Higher Education Certificate (HEC)- Physical Sciences
- Higher Education Certificate (HEC)- Biological Sciences

### Career Objectives

Science and technology professionals can be found in almost any sector, from government to manufacturing to pharmaceuticals. Here are some examples of career options:

- Medical Technology Developer
- Bio technician
- IT Specialist
- Website developers
- Social media marketing
- E-commerce specialist

- IBM: International Business Machines Corporation
- IEEE Chapter: Institute of Electrical and Electronics Engineers- The world's largest technical professional organisation
- Hult Prize Foundation: An annual, year-long global competition that challenges university students to develop innovative solutions to pressing social issues such as food security, water access, energy, and education
- Coding Girls Uganda
- CISCO
- Girls Paint Africa Green Foundation
- Public Health and Innovator's Association
- Innovation's Club

# FACULTY OF SOCIO- ECONOMIC SCIENCES

The Faculty of Socio-economic Sciences (SES) is among the oldest and pioneer faculties at Cavendish University Uganda. It was established to equip learners with the ability to question, think critically, conduct research on population challenges, communicate effectively, make decisions and adapt to change.

The Faculty is a vibrant, inclusive community of scholars, artists, researchers and social scientists. They are visionary problem solvers committed to making giant strides in the areas of Education, Social Work, Research, Entertainment, Diplomacy, Media and Public Administration.

**Dr Huthaifah Abdallah Busuulwa**  
Ag Dean, Faculty of Socio-economic  
Sciences

## PROGRAMMES OFFERED

### Master's Degrees

- Master of Education in Educational Management
- Master of Security Studies
- Master of Arts in International Relations & Diplomatic Studies

### Bachelor's Degrees

- Bachelor of Arts in Public Administration & Management
- Bachelor of Arts in International Relations & Diplomacy
- Bachelor of Mass Communication and Journalism

### Certificate

- Higher Education Certificate (HEC)- Humanities

### Career Objectives

Research in the social, behavioural and economic sciences (SBE) builds fundamental knowledge of human behaviour, interactions, and social and economic systems, as well as organisations and institutions. Systematic studies of these networks and their behaviours can provide rewarding careers in the academic world, government, and industry.

Science careers are supported by the government and private sector and cover a wide range of opportunities in the field, focusing on career paths and decisions made by real practitioners. Through the experiences of the scientists profiled in this series, students, graduates, and even those working in other fields can evaluate the potential of SBE for their own careers and life goals.

### Industry Partners

Cavendish University's Socio-economic Sciences students benefit from a guaranteed practical learning experience arranged by our dedicated lecturers. This includes internships, practicum placements, and project work, providing valuable real-world exposure.

- Our strong industry links include partnerships with organisations such as The Media Challenge Initiative, which hosts annual inter-university competitions and offers 'solution journalism' training to top-performing students
- Ultimate Media Consult provides multimedia journalism training to both students and lecturers
- In International Relations and Diplomatic Studies, the faculty collaborates with the UNHRC to offer training on human rights, while internship opportunities are available through the Nigerian and Tanzanian High Commissions
- The faculty also maintains long-term relationships with various embassies

### Career Options

- Journalist
- Communication specialist
- Public Administrator
- Diplomat
- Social worker

# SCHOOL OF POSTGRADUATE STUDIES & RESEARCH

The School of Post Graduate Studies & Research (SPGSR) is the unit that coordinates graduate training and research. The SPGSR focuses on national development by engaging in education, training and innovating new systems. Graduate students are encouraged and enabled to delve deep into areas and zones previously little trodden to discover new knowledge needed to make our world a better place to live in. Seize the abundant opportunities available at the SPGSR for scholarship and research into excellence.

**Prof. Alex Thomas Ijjo**  
Director, School of Postgraduate Studies and Research

## PROGRAMMES OFFERED

### Master's Degrees

- Master of Information Technology
- Master of Education in Educational Management
- Master of Security Studies
- Master of Science in Project Management
- Master of Arts in International Relations & Diplomatic Studies
- Master of Laws (LLM)
- Master of Public Health
- Master of Business Administration – Management
- Master of Business Administration – Accounting & Finance
- Master of Business Administration – Procurement & Supply Chain Management
- Master of Business Administration – Entrepreneurship
- Master of Business Administration – Human Resource Management

### Postgraduate Diplomas

- Postgraduate Diploma in Business Administration (PGD BA)

### Career Objectives

Getting your Master's degree is definitely something that you should take time to consider. With the additional amount of money and effort you will put into getting it, it is important to understand how you will benefit. We have put together some of the top benefits of getting a master's degree to help you make the best decision. Read them and consider them along with your personal needs as you make this important decision.

- Gain deeper and more specialised knowledge in your field, expanding beyond undergraduate studies
- Explore your passion further, preparing yourself thoroughly for career success
- Enhance your employability by demonstrating commitment and advanced skills, giving you an edge in a competitive job market
- Open up more job opportunities and increase your potential for career advancement

# STUDY MODES

## Campus-Based Programmes

As one of the most innovative academic institutions in Uganda, we're renowned for our accredited programmes, quality education and student-centred way of doing business that transforms and inspires students to reach their full potential in employment, entrepreneurship, and ethical leadership.

### Why Study on Campus?

- Campus-based Programmes have one part of their delivery undertaken using first-in-market technology that enables learning teams to work together on practical study and problem-solving, while the other part is directed by experienced lecturers in face-to-face interactions
- All our faculties are equipped with state-of-the-art technology that enables an optimal learning environment
- Constant access to student support services aimed at assisting students in achieving an optimal school-life experience
- Fast access to highly trained, experienced instructors
- Physical interaction with a vibrant community of Cavendish University Uganda students and alumni that promotes professional networking and the making of lifelong friends along the way

## Distance Learning Programme (DL)

Distance Learning Programmes are designed to deliver teaching and learning at a distance. In DL, students still have an opportunity to come to campus for a face-to-face engagement with their lecturers before sitting for their examinations.

Cavendish University's Distance Learning Platform provides a flexible, accessible and cost-effective mode of learning as an alternative to the traditional classroom-based programmes. This mode of study is suitable for those who have difficulty attending traditional classes for various reasons. It enables one to study away from the classroom without interrupting their day-to-day activities.

### The platform has features such as:

- Ability to track and monitor academic progress
- Access to lecturers during dedicated hours for academic support
- Adaptive learning management platform
- Learn online or offline
- Submit quiz or assignment online or offline
- Self-assessment and comparison across courses
- Collaborate through messages, forums and chat
- System-driven alerts on grades, revisions and what to study

### How Unique is our Distance Learning Programme & Why Offer It?

Our Distance Learning programme leverages the latest technology, delivering study materials regularly—often weekly. Students can access coursework through multiple devices, including university-provided tablets, laptops, and desktops. The programme is designed to be flexible, accessible, and cost-effective. Developed by leading African higher education experts, our materials ensure a high-quality learning experience tailored to diverse learner needs.

# CAREERS AND EMPLOYABILITY OFFICE

The Careers & Employability Office is dedicated to empowering graduates with the skills and knowledge necessary to succeed in the workforce. It provides comprehensive support to help students gain, retain, and sustain employment, whether by competing for existing positions or creating their own opportunities and employing others. This aligns with the broader vision for the Cavendish University Uganda graduate exit profile.

For personalised assistance, please contact [employability@cavendish.ac.ug](mailto:employability@cavendish.ac.ug)

# CENTRE FOR INNOVATIONS AND ENTREPRENEURSHIP

The Centre for Innovations and Entrepreneurship at Cavendish University Uganda is a dynamic hub dedicated to empowering students and staff to transform their ideas into impactful innovations and entrepreneurial ventures. Its mission is to enable individuals to accelerate their ideas, unleash their potential, and become socio-economic change-makers through awareness campaigns, skill-building workshops, strategic partnerships, and impactful events.

For more information on how to get involved, contact [ekagona@cavendish.ac.ug](mailto:ekagona@cavendish.ac.ug)

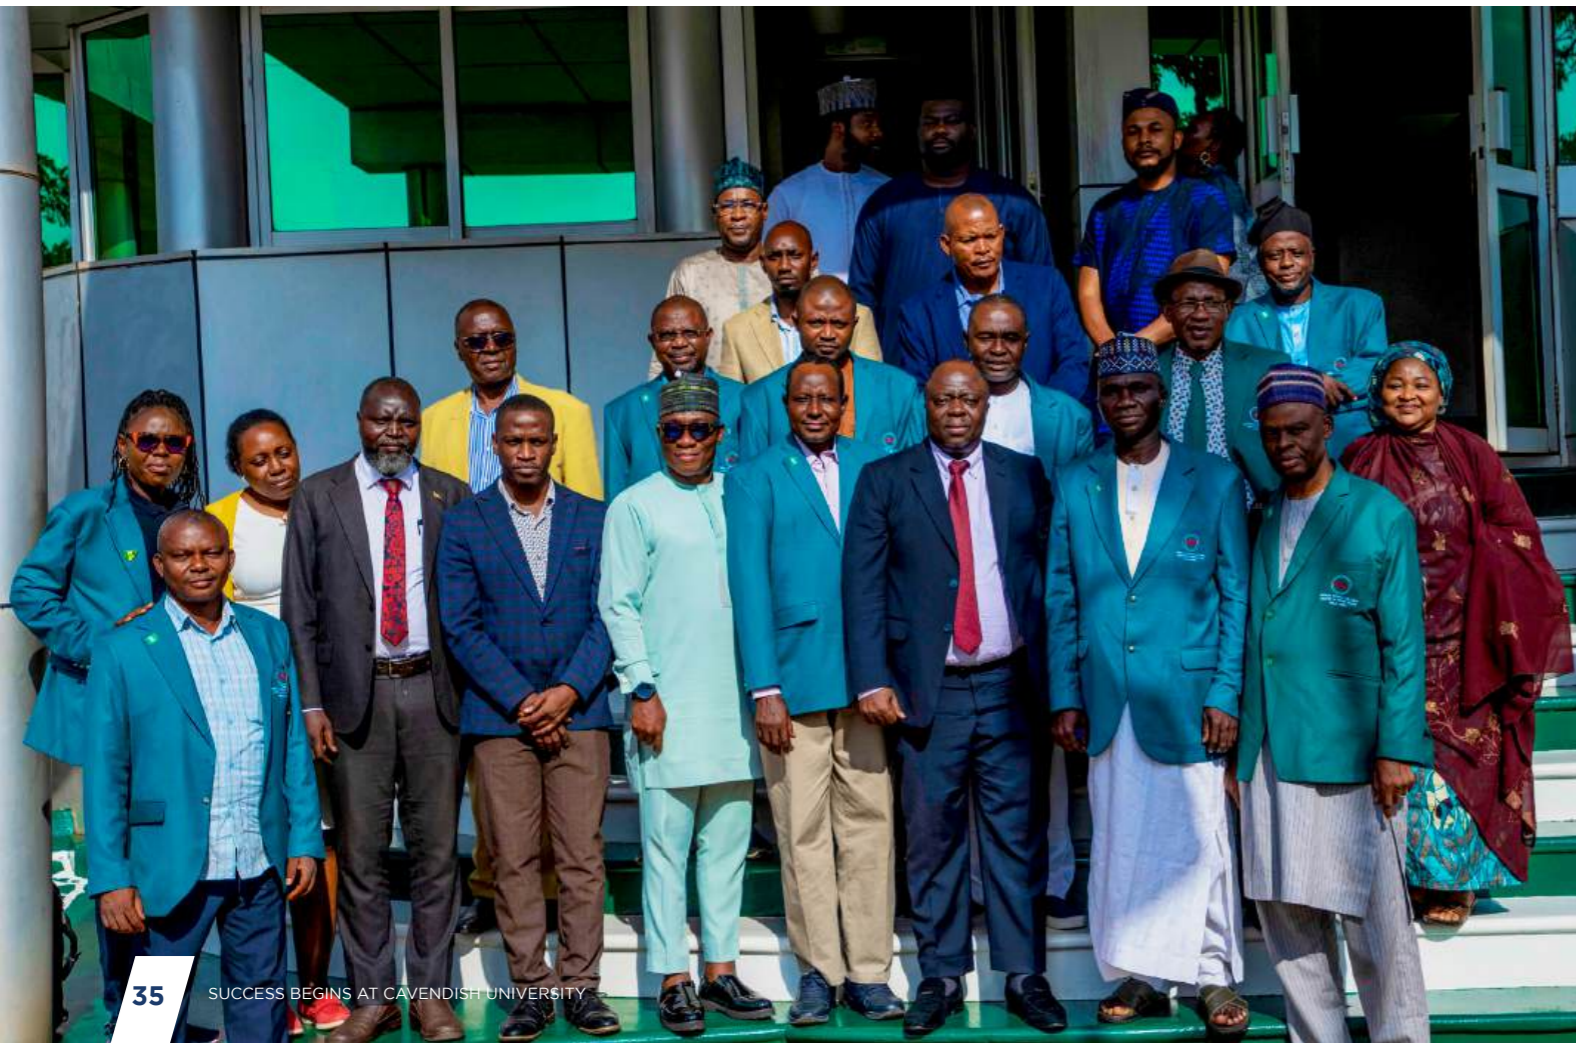

# NIGERIA TECHNICAL AID CORPS

Cavendish University Uganda currently has eight (8) Nigerian Technical Aid Corps (NTAC) volunteers in our academic community. This collaboration not only strengthens the longstanding ties between Uganda and Nigeria but also reaffirms Cavendish University's commitment to providing transformative, globally relevant education.

The NTAC professionals bring a wealth of expertise across diverse disciplines, including Law, Public Administration, Security and Strategic Studies, Mass Communication, Public Health, Computer Science, and Project Management.

Their presence promises to enrich the university's teaching, mentorship, and research efforts—further advancing our mission to empower learners with the knowledge, skills, and global perspectives needed to create meaningful impact in their communities and beyond.

SUCCESS  
BEGINS AT  
CAVENDISH

# Apply now for the CUU Academic Excellence Scholarships

NOW OPEN FOR APPLICATIONS, INTAKE IS ONGOING.

## SCHOLARSHIPS & OFFERS

### CUU Academic Merit Scholarships

- Cavendish University Uganda offers top Ugandan students an opportunity to study on Academic Excellence Scholarships each semester. These scholarships cover up to 100% tuition and functional fees, and they are available to both first-year and transfer students
- Please contact the Cavendish University Uganda Enrolment office on +256 414 531 700 or visit our website at <https://www.cavendish.ac.ug/> for additional information

### DISCOUNTS & STUDENTS REFERRAL PROGRAMME

This Programme enables our students to practice their salesmanship and receive instant reward. Enroled students, by referring a friend to the University, will receive a 10% tuition discount and are free to refer up to 10 students, thus receiving a 100% tuition discount.

#### Eligibility

- The referring student must be fully enroled and have paid at least 50% of their tuition for the 1st semester in which the referred student enrols and pays tuition
- Fully sponsored students are ineligible to participate. Partially sponsored students are eligible up to the non-sponsored amount of their tuition

#### Benefits

- Up to 100% tuition discount
- Practice your oratory, presentation, networking and sales skills
- Widen your social circle

## REGISTRATION AND ENTRY FOR UGANDAN STUDENTS

### Requirements:

#### Direct entry

1. At least five (5) passes at the Uganda Certificate of Education (UCE) obtained at the same sitting or its equivalent
2. At least two (2) principal passes at the Uganda Advanced Certificate of Education (UACE) obtained at the same sitting or its equivalent

Conditional admission will be verified after getting the Uganda National Examinations Board (UNEB) Results print - out.

Within the framework of the general direct entry requirements, there may be Special Faculty Requirements which a candidate must fulfil to gain admission to a programme in a specific Faculty.

#### Mature Age Entry

1. A candidate must be at least 25 years of age
2. The candidate must have passed Mature Age Entry Examinations with 50% mark or above
3. The Mature Age Entry Examinations must have been taken at a centre approved by the NCHE
4. No candidate who had previously attended a programme at Cavendish University Uganda shall be readmitted to the University under this scheme to a programme of study in which he/she failed to qualify during his/her previous attendance

## REGISTRATION AND ENTRY FOR INTERNATIONAL STUDENTS

### Requirements:

**Must have a qualification that is recognised for University entry in his/her home country or country where he/she has studied. The applicant will be offered a provisional admission for one semester pending equating of his/her qualification.**

The University may consider for admission to a degree programme a candidate who has successfully completed a 12-year-system of education provided that such a candidate has been registered at another University, prior to applying to Cavendish University Uganda, for a degree programme and has successfully completed at least one year of university education. Such a candidate must, however, submit the University academic transcript from that other University.

#### A holder of a 12- year-system of Education Certificate:

A holder of this Certificate such as the Kenya Certificate of Secondary Education or the equivalent is required to successfully complete a Foundation Year before enrolling for the Bachelor's degree programme.

## PAYMENT OPTIONS

### Banks

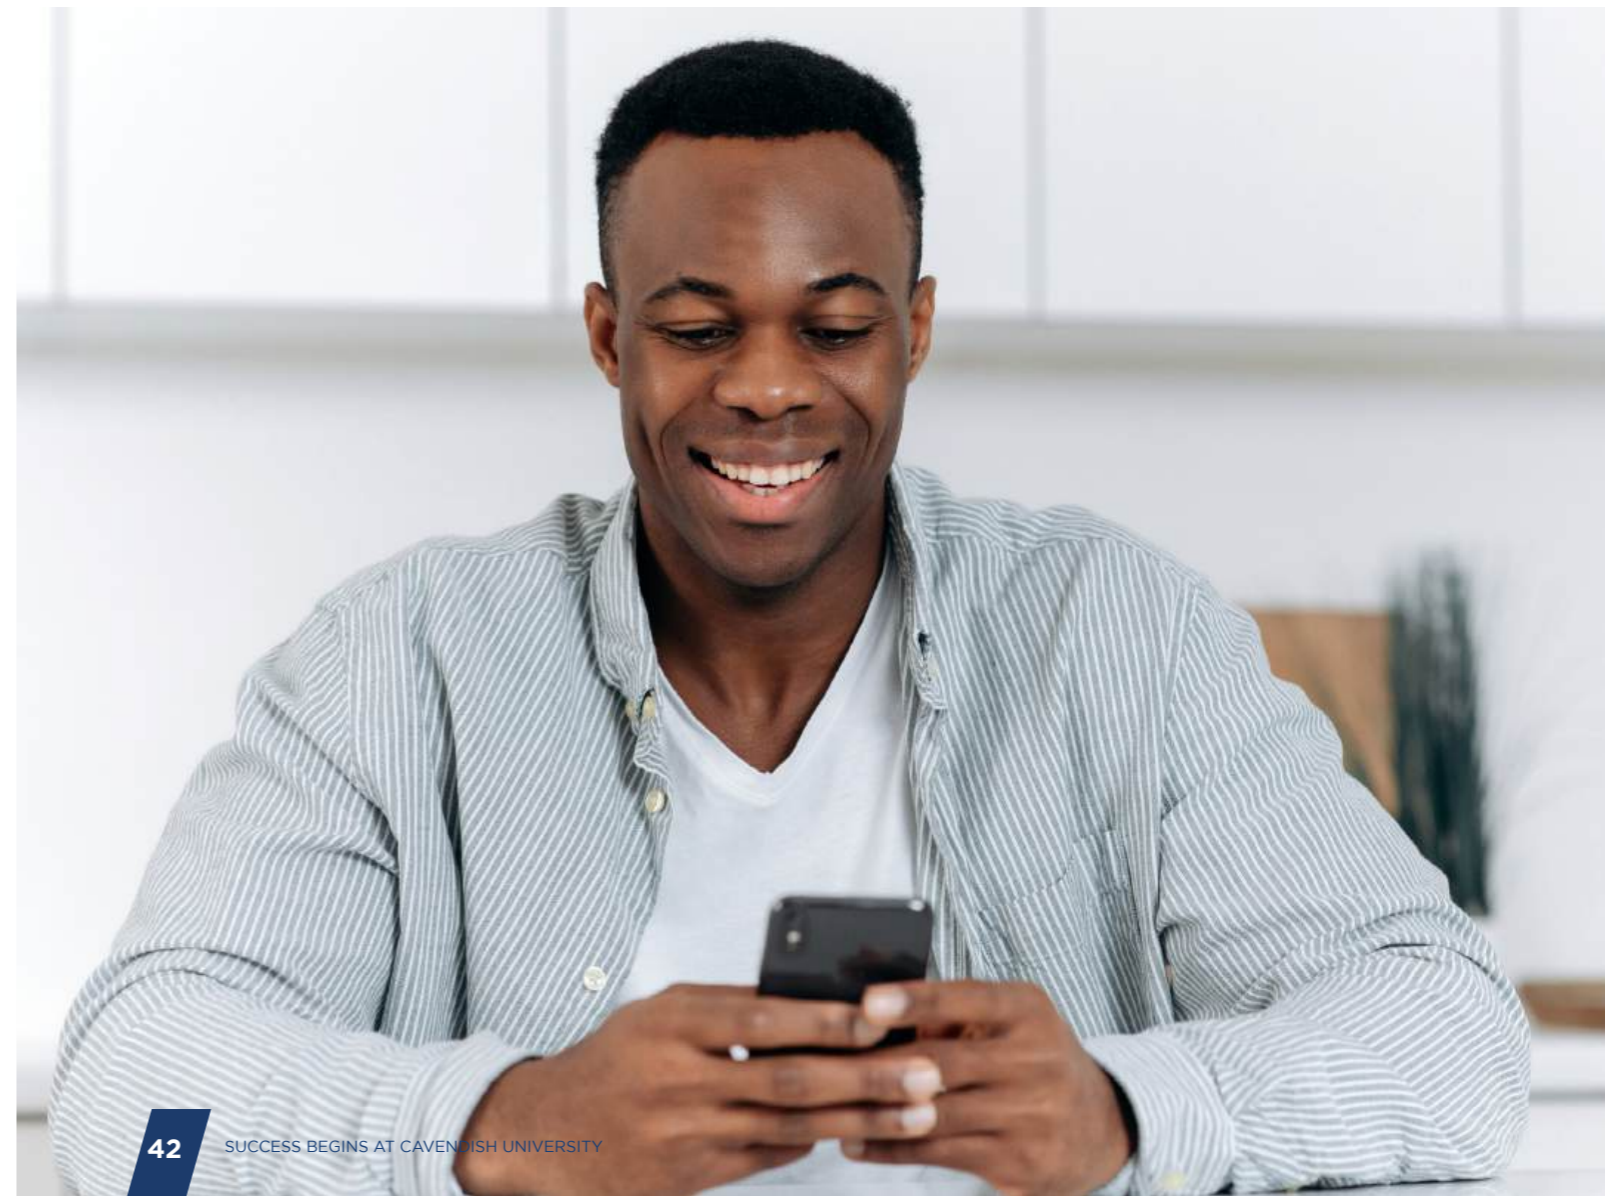

Students can make payments through various banks, including Stanbic Bank, Centenary Bank, Standard Chartered Bank, Equity Bank, and others.

### Pesapal

Allows students to pay fees directly to school banks accounts through a mobile phone, eliminating the risks associated with sending money to third parties and reducing bank transaction fees.

### Mobile money

To pay school fees using MTN MoMo, simply dial \*165\*80# or use MyMTN app. Enter the student number provided by the school. It will show you the student's name and class plus outstanding balance.

# OUTSIDE THE CLASSROOM

## Student Life

The student body at Cavendish University Uganda is very diverse, with students from over 42 different countries on the African continent. The University is home to students from Uganda, Nigeria, Rwanda, Burundi, Kenya, South Sudan, Somalia and Eritrea....to name but a few.

Having such a diverse student body makes life at Cavendish University Uganda that more interesting, as students are exposed to other cultures and ways of doing things. Each nationality has an association that represents its interests.

## Letting off steam

Every once in a while one needs to ease some of the pressure. Cavendish University is perfectly located for students who wish to let off some steam after classes. Ggaba Road holds pocketfriendly entertainment in form of restaurants, bars and beaches.

## On-Campus activities

On Campus, students have free use of Wi-Fi for them to keep abreast of international scholarly pursuits as well as stay updated on social media.

For those who are interested in competitive sports, the University has football and basketball teams.

## Cultural Gala

Our yearly Cultural Gala creates an afternoon spectacle of incredible performances, immense culture, music , food and energy from the 42 Nationalities that make up Cavendish University Uganda.

# THINGS WORTH KNOWING

## KAMPALA WEATHER

On average, the hottest months of the year in Kampala are October and February, during which time the daily temperature will generally hover in the upper 80's and the lower 90's. The coldest months of the year in Kampala on average are June and July, during which time the daily high temperature will generally reach the lower 80's.

## TRANSPORTATION

There are three methods of public transportation: boda-boda, taxis and special hire vehicles. The fastest method is the boda-boda; motorcycles that you see all over the city. You won't be in Kampala long before being propositioned by a Boda rider. If you're not interested, a simple "no" will get them to leave you alone. You can get almost anywhere on the back of one for between 1,000 and 2,000 UGX, but make sure you agree on the fare before the ride begins.

## OUT AND ABOUT

Things to do outside the campus are endless. Students frequent Kingsgate Mall, various eateries and discotheques along Ggaba Road. For those who love adventure, there are beach fronts you can visit such as Ggaba Beach, and Speke Resort Munyonyo.

## HANGOUTS

There are a lot of bars and nightclubs in the city. There are also a number of cinemas that are located within some of the shopping malls. Kampala has numerous shopping malls including; Arena Mall, Acacia Mall, Village Mall, Kings' Gate Mall, among others.

## PLACES TO EAT

### Jumia food

Looking to get a delivery? Jumia foods brings food to wherever you are. Simply download the app on your phone.

### KFC

Any chicken lovers out there? Get Kentucky Colonel's secret recipe chicken from KFC right down the road from campus.

### Pizza hut

If pizza is what you are craving, the Pizza Hut is open for both delivery and eat in. Pizza Hut has a wide selection of quality foods and is only a few minutes walk away from campus.
